That's why the Alumni Association provides both short and long-term insurance coverage with convenient and affordable plans for health and term life insurance. Many alumni have also taken advantage of the discounted group rates for home and auto insurance. Visit www.umkcalumni.com and click on "Alumni Services" then "Insurance" for detailed information.

Minority Affairs Committee

As a student at UMKC, you experience the unique aspects of a culturally diverse campus. The Alumni Association continues that tradition through the Alumni Association Minority Affairs Committee. UMKC alumni play an important role in our institution's commitment to supporting diversity.

News and Information

Once you leave the campus, you'll be kept informed about events at UMKC and your school or college through *Perspectives* magazine, which is published twice a year. Monthly issues of the electronic newsletter, e-Roos, will be sent to your e-mail address. These are two big reasons to keep your contact information current with the Alumni Office. E-mail alumni@umkc.edu with your address, phone, job and e-mail changes.
